The tides of Life roll—in and out—perpetually, whether man is here or not. We are just a small part of the cycle we call Life. Not many things go without change through out a lifetime, except our Yesterdays. No one, not one living creature, can change what has happened—the good or the bad. For this reason we treasure our memories of our yesterdays and the people in them. Therefore Yesterday Once More is the theme of our yearbook.

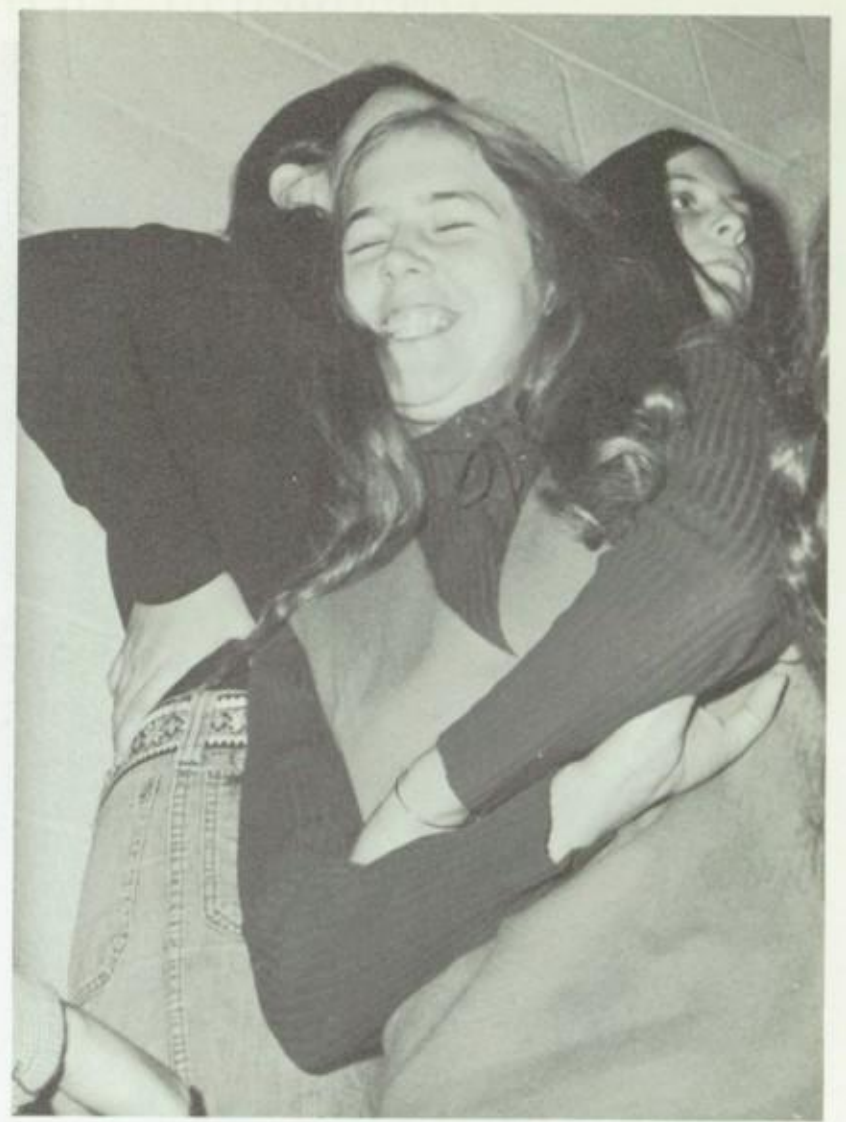

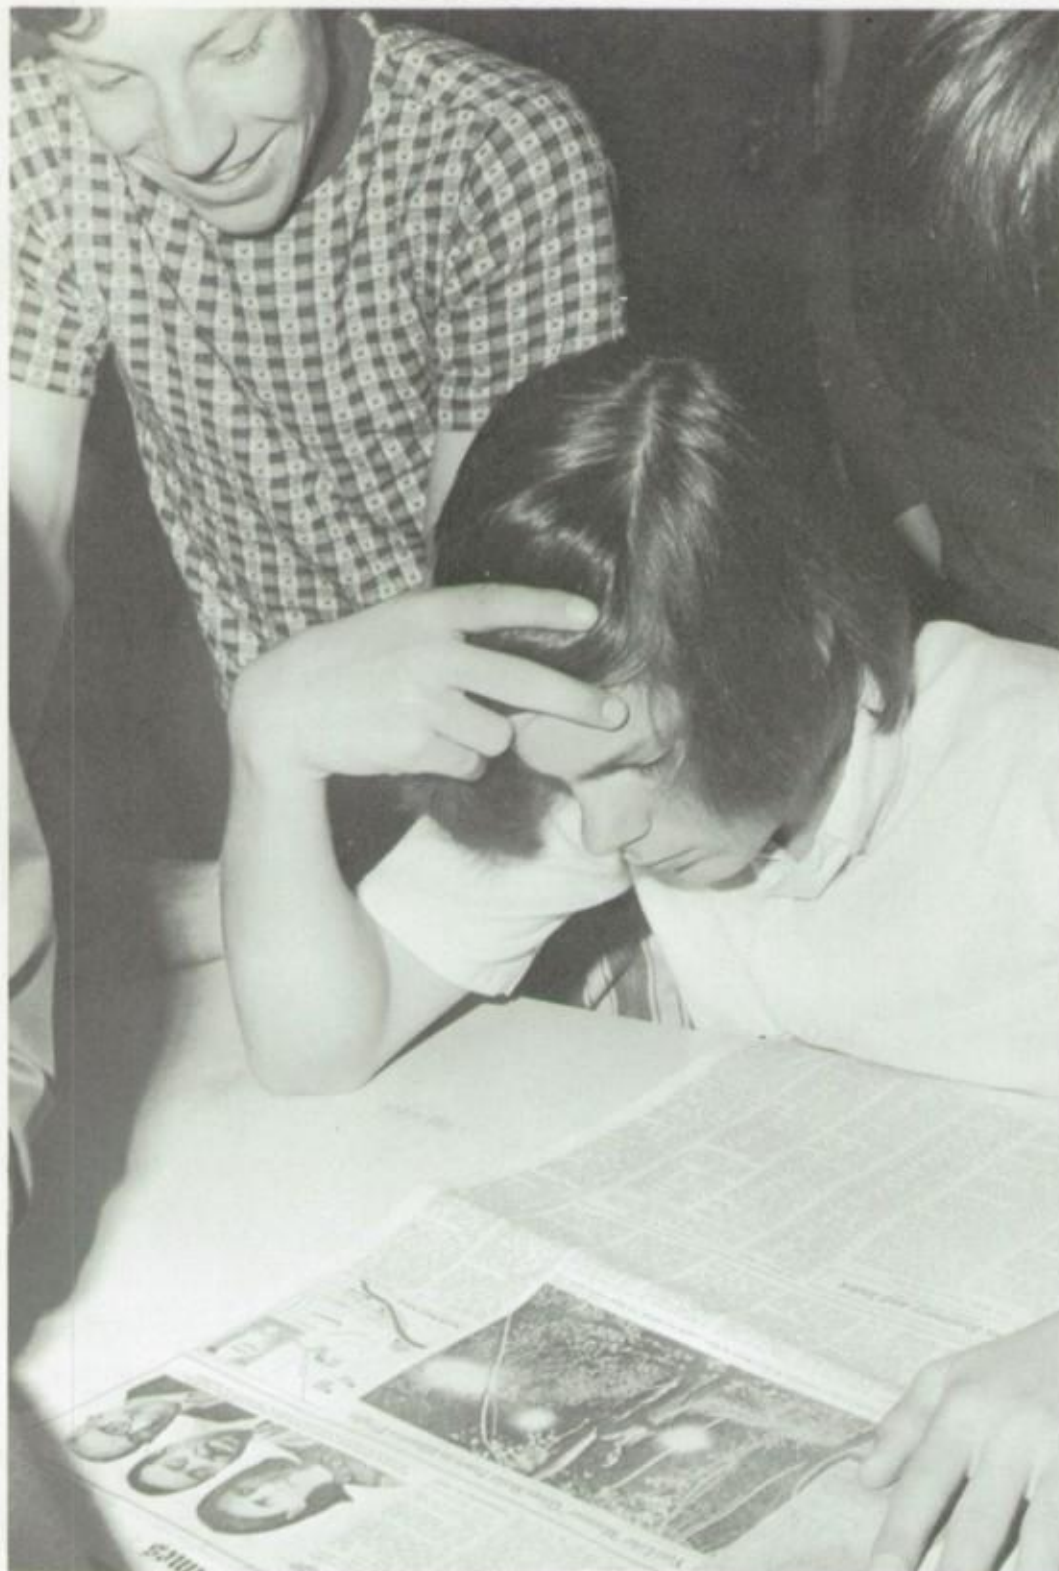

Once Upon a Time

Where We Used to Raise

Remember How We Laughed

Those Were the Days My Friend.

We Thought They'd Never End

We'd Sing and Dance

We'd

For
We

And

ACTIVITIES

Band

This year the Lee High School band got off to a smashing start. The school events involving the band started with pep rallies and all the home football games. The band participated in the Fall Foliage Parade and came in fourth place receiving a trophy and one hundred dollars in cash. They also marched in the Halloween Parade in Pittsfield and received Honorable Mention. The year continued on with the annual Christmas Concert and the rest of the regular concerts and parades that go on during the year. But the year didn't continue on as an ordinary year for the band. This year the band had a once in a lifetime invitation. The invitation was from Disney World in Florida. A lot of hard work lay ahead for the students in the band. And in order for them to go to Florida they had to work to raise the great sum of money that was needed. But their work was to be rewarded by the performances at Disney World. All in all the band had a very successful year.

During the school year the Majorettes have been involved in the Winter and Spring Annual Concerts performing as Tin Soldiers, Can Can and Charleston Dancers and as Charlie Chaplin. They have also attended the North Adams Fall Festival Parade, Memorial Day and Halloween Parades.

The Chorus adds the words to the music at the Band's concerts. As they did at last years "Roaring Twenties" the high point of chorus last year was the invitation to sing at the Lee High School's Graduation ceremonies held at Tanglewood.

Latin Forum:

The Latin Forum is an organization which consists of junior and senior Latin students. Last year, Mrs. Juskalian took many of these students to Europe. This year we hope to take a trip to the Boston Museum to see a collection of old Roman and Greek relics. At Christmas time, we hold our annual Roman Saturnalia, the Roman Christmas celebration. Through the course of the year we will hold many fund-raising projects. The money from these projects will go toward a future European tour. The Latin Forum is under the supervision of Mrs. Juskalian.

Last year a dinner with a complete French menu was put out with Chef Vinatier in the kitchen.

Under the guidance of Mr. Bellefontaine, the staff members edit, type, and print four editions annually. Included in these editions are short stories, essays, and poems. Deja Vu, established three years ago, hopes to continue its role as the sounding board of the silent majority.

The Debate Club this year is debating the resolved: that the federal government should guarantee a minimum annual income for each family unit. November 13 was the first debate of the year. The affirmative team won against Cranwell, and the negative team beat P.H.S. The affirmative team consists of Kathy Wells and Katie Baldisserotto. Clare Boulanger and Brenda Plourde make up the negative team. Beth Ducayet is an alternate and assistant. Mr. Maby is the advisor and coach of the team.

Student Council

The Student Council is a liaison between the students and the administration at Lee High School. This year the Student Council felt the need to rid the school of the ever increasing growth of apathy. The Student Council also worked on subjects such as girls' community sports, a ski team, and a Student Council Constitution. Plans were also started for a Student Service Center at the school. The Student Council is also working on a Student's Rights and Responsibilities Bill.

The Student Council plans to raise money for its Annual James I. Brown Memorial Scholarship. This year's council was under the supervision of Miss Susan Quirk.

Advisory Council

Cindy Wilkinson, Nancy Polastri, Sara Wilson, Laurel Ferrelli, Cheryl Cuevas.

Student Council Officers

Andrea Frulla—Vice President; Annmarie Baldisserotto—President; Nancy Polastri—Secretary; Dawn LaDuke—Treasurer.

The Student Advisory Council

As time goes on students are slowly getting more recognition and say in their education, one group which is helping this is, The Student Advisory Council (SAC).

A group of five students elected by the student body to represent them. These students work in cooperation with the student council, but, unlike the student council, they are able to bring their suggestive and problems to the school committee at least five times a year. This past year the SAC helped coordinate a Health Course along with teachers, laymen and the school committee.

This year the SAC is working with the student council on a student constitution. Slowly but surely, students are getting the say they deserve in their own education.

Children's Festival

On May 26, 1973, the Drama Club held the first, of what we hope shall become an annual event, Children's Theater Festival in the town park. Two plays were presented, "The Ugly Duckling", by A.A. Milne, and "A Marriage Proposal", by Anton Chekhov. A puppet theater was painted, and puppets were made for two shows, "Rumplestiltskin" and "The Magic Mushrooms".

The Drama Club had set out to introduce the various aspects of the theater to the town's children directly, and we feel it was accomplished that cloudy Saturday afternoon. We wanted to excite the kids the same way we, ourselves, are excited by the theater. The theater is a reflection of life in fantasy, and for a few hours, that fantasy was alive and real for the children of Lee.

Our first project was the Thanksgiving dance. The theme was of Thanksgiving and the props of corn stalks, bails of hay and pumpkins helped produce the Thanksgiving spirit.

Keyettes

The Keyettes is a new organization for girls. Our goals are to help our school and community. Some of our projects this year were to initiate a visiting program with the Lee Nursing Home and to sponsor a night of Christmas caroling. Miss Quirk, our advisor, gave her advice and helped us through all our projects.

During the basketball season, both jayvees and varsity cheerleaders will be cheering for varsity games with something new, two mascots. One will be the Lee High Wildcat—Leah Duby, and a cheerleader, Terri Salinetti. Jayvees were picked later in September by people who were from outside the school and now the jayvees are excitingly awaiting basketball.

In order to become a member of the National Honor Society, a student must maintain at least a B average for three years. All members are inducted at a candle light ceremony. This year, the group performed many activities for the benefit of the school and the community.

A.V. CLUB

The A.V. Club tried a new experiment this year. Under the direction of Mrs. Sloan, the school's librarian, the club ran a T.V. show called "On the Air". It dealt with student life as well as events in town. Along with running the show, the club took great pride in its video tape equipment, which included two monitors, a video tape machine, and a complete camera outfit. All total, the equipment values well over one thousand dollars. Nevertheless the club kept up its usual activities, such as meetings, repairs to all A.V. equipment, and assistance to faculty members with the operation of the equipment.

One of the most involved organizations in the high school is the Key Club. The Key Club is a school and community service organization composed of young men from all four high school classes. The club is sponsored by the Kiwanis Club of Lee. Its advisor is Mr. Donald Murray. The Lee High Key Club is a very small branch of Key Club International, whose main office is in Chicago, Illinois. All of the clubs in the U.S., Canada, Mexico, and the territories are divided into districts, and then into divisions. The Lee club is in the eleventh division of the New England district.

This year, the club is proud to host the Lieutenant Governor, Tom Savory. Tom is the head of the eleventh Key Club division of the New England district, which includes several clubs in Western Massachusetts and Vermont.

Among many of the club's many projects under the directions of President Joe Buffis were a bike inspection, visits to the Nursing Home, Children's Matinees on Saturday afternoons, and a benefit buffet dinner in February. The Key Club has come a long way since its organization three years ago, and all its members should be very proud.

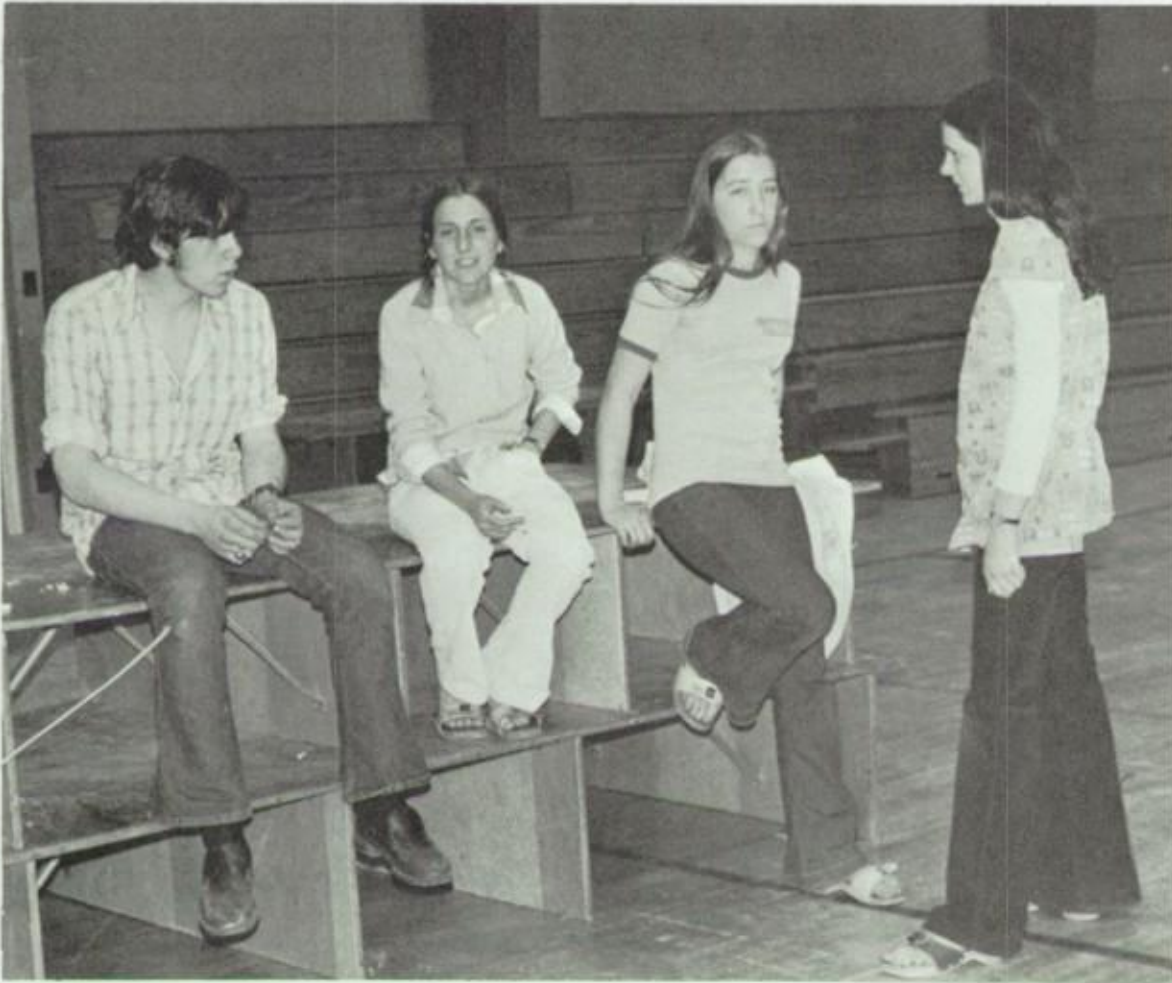

This year's junior prom was held on May 18, 1973 at Lee High School. The theme of the prom was the Spirit of 1776. The decorations consisted of The Constitution, Declaration of Independence, Liberty Bell, Monticello, and Snoopy. The queen of the prom was Dawn Whalen and the king was Bernard Collins, who escorted the queen to the prom. The prom was a success for everyone who attended. The after-prom was held at the Holiday Inn with a buffet supper and dancing.

Freshman Party

This year's Freshmen Party, held Friday evening, October 18, went extremely well. The skits performed by the seniors were well received with many compliments. One wishes that the Freshmen Initiation could have passed with an equal amount of smoothness. Due to certain unneeded harassment of the freshmen by seniors, the initiation was called off before the day was concluded. For a day that began in "fun", it ended quite abruptly with some bitter feelings. The skits finished off the day nicely. Now the freshmen are officially members of Lee High School.

SPORTS

Coach John Consolati after capturing the 1972 Western Class football title, faced a serious dilemma in the autumn of '73. Graduation had dissolved a large piece of his experienced roster, leaving a scant few varsity members to take the field during the post-championship year. However, John Consolati utilized his 35 years as a Wildcat coach. By using returning seniors Steve duPont, Dave Comalli, George Serra, Joe Palardy, Bob Walker, Mike Van Zandt, Don Brighenti, and Gene Cuene, along with several hours of grueling practice, he was able to produce a young but solid squad of ballplayers.

Lee High fought gamely throughout the course of the nine-contest season, but the lack of valuable experience and crushing injuries to key players, such as halfbacks Joe Palardy and Jim

Wheeler, and linemen Mike Hornyak and Alan Wilcox, led the Wildcats to a disappointing 3-6 record. The orange and black squad was defeated in their first five Intercounty League games, including last second heartbreakers to Amherst, Mt. Greylock, and Mahar. The young Wildcats were not so easily discouraged however. They were determined to salvage as many victories as possible in their last four contests, one of which was against powerful arch rival Monument Mountain. Coach Consolati gave his battered boys a mid-season pep talk, and the Wildcats quickly responded by disposing of Ware in a tune-up game for the Monument contest in the weeks to follow.

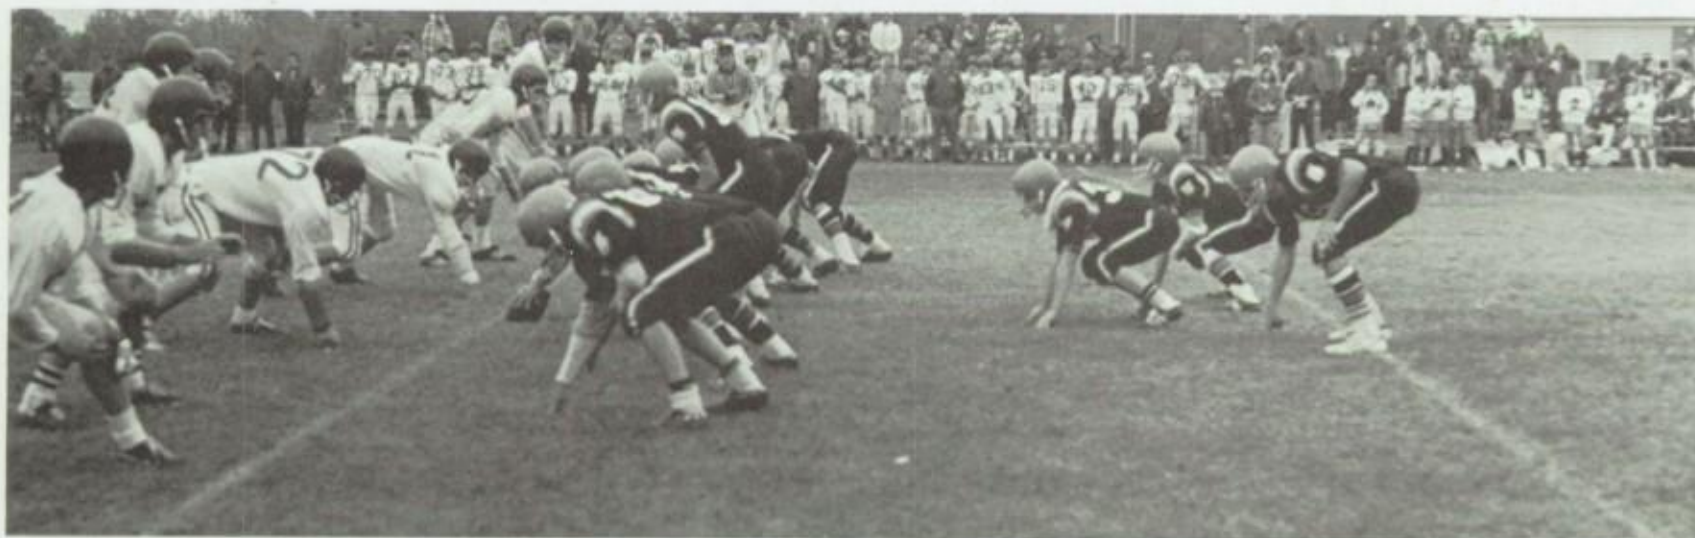

On November 2, 1973, Lee High had its chance in the big game against the Monument Mountain Spartans to amend all the earlier season defeats. The Wildcats came at the Independent League Champs with everything they had. Lee High prevailed 14-7 in one of their most hard fought football matches. For the Wildcats, beating Monument completely erased all the year's defeats, and made for a successful football season despite Lee High's seventh place finish in its league. The Wildcats went on to end their regular season with a 28-0 pounding of Pioneer Valley, making it three victories out of the last four contests.

Coach Consolati returns again next year with a bright outlook for the future. With several talented football players returning, he is hopeful of placing Lee High back on its usual winning track.

Al Vinatier returned in August from his summer camp at Lake Placid, New York to once again become the soccer coach at L.H.S. Mr. Vinatier also returned with a great deal of apprehension knowing quite well that graduation had taken 16 players off his 27 man roster leaving an inexperienced few to head up this year's squad. However coach Vinatier was pleasantly surprised when 19 Rookies (13 Freshman) showed up at the initial practice. Coach worked hard with his young team readying them for the tough year ahead. The Wildcats got things off on the right foot in their first game defeating arch rival Lenox 3 - 2 in overtime. Lee fought gamely for the remainder of the season but the young Wildcats lack of experience and altogether team coordination caused them to win only 3 of 16 contests during regular league play. An indication of Lee's tough play throughout the season were several close losses especially the heartbreaking 1-0 loss at the hands of Berkshire County Champs, Monument Mountain. Fine play throughout the season was exhibited by the club's 4 Seniors, Captain, Jim Walker, Alan Zerbato, Mike Devanney and Eric Boulanger with help from underclassmen Doug Trombley, Dave Touponce, Chauncey Collins, Harold Ott, Bill Winters, Dave Renaud, and particularly from Goalie, Bill Constantinopoulous, a Freshman. The future appears bright for Coach Vinatier and Lee High Soccer as all but four of this year's members will be returning in August of '74.

IN MEMORIAM

To Raymond Dignard

The night of November 3, 1973 was an extremely sorrowful one for the town of Lee, and particularly for the family of Raymond Dignard. For on that cold autumn night, the Almighty God called Mr. Dignard to his final place of rest. For the people of this beloved county it was a severe loss, but for the spirits of heaven it was a superior gain. Mr. Dignard, as one can imagine, was an extraordinary man here on earth, and his family, friends and acquaintances can be assured that God will reward him two fold in the life beyond for his kindness to his fellow man.

It comes as little wonder to the people who knew him that the fellow man he regarded the most in this small Berkshire village was its youth. Mr. Dignard had a deep feeling of devotion and dedication to the younger citizens of Lee for three basic reasons. First, he admired and respected the vitality of the modern day teenager and he did everything humanely possible to steer that youthful energy to the right direction in life utilizing athletic competition as a means of escape from social pressures placed on a high school student. Mr. Dignard was always an advocate of the new sports activities and leagues that sprung up in the Southern Berkshire area providing clean entertainment to an otherwise unchallenged group of boys and girls.

Secondly, Mr. Dignard dreamed of returning to a youthful age again in the hopes of recapping those exciting days he had as a member of the adolescence set. Perhaps there was a bit of jealousy towards today's L.H.S. students knowing quite well that no one can stop the clock. Instead Mr. Dignard recognized the need of a school organization that would support the Wildcat teams and open new opportunities to young adults who wished to compete on an interscholastic level. Thus the Lee High Booster Club was instituted as a means of lending financial as well as moral support to Lee High athletic teams. Of course Mr. Dignard was one of the club's initial and most active members.

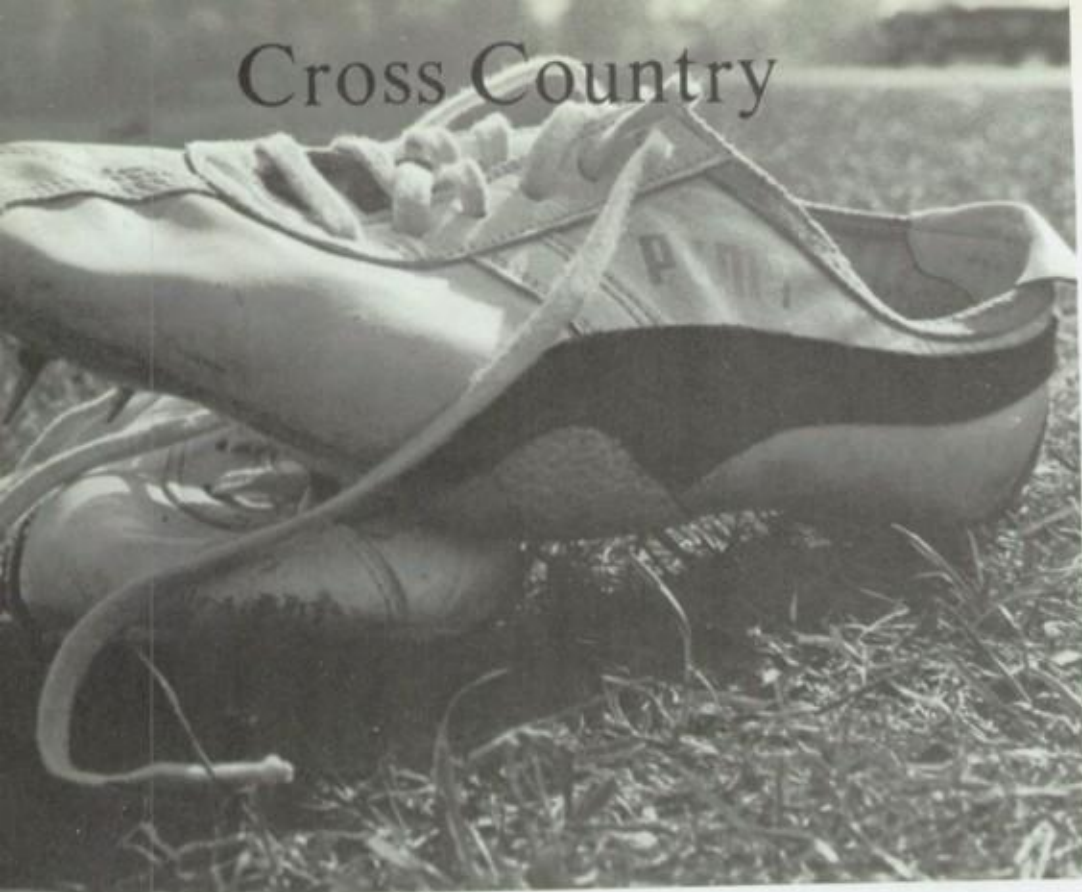

And thirdly, Mr. Dignard, himself, had two boys of his own that participated heavily in the athletic program at L.H.S. While the class of 1974 has struggled through its four years of secondary schooling, the Dignard boys, Frank and Mike, played a combined total of 15 sports, delighting young and old alike with their athletic talent.

Mr. Dignard can rest peacefully knowing that he has helped give the opportunity to boys such as Frank and Mike in trying to be successful High School competitors.

One can be certain that Mr. Dignard will also rest peacefully knowing his own fierce competitiveness has enabled Frank and Mike, and other Lee boys like them, to enjoy the pleasures of life here on earth.

For these reasons of unselfish love towards the people of Lee, we the class of "74" dedicate this year's Echo sports section to Raymond Dignard.

Cross Country

Coach Peter Warywowski, in only his second year as cross country commander, has built a Berkshire County power out of his team. At the center of all the talent is the fleet-footed co-captain Bill Hickey who has been outstanding as an Orange and Black harrier for the past four years. Other Varsity runners helping Lee High to victory were Senior Steve Glomb, Juniors Dan Turner, Rich Walls, Jeff Cahalan, Mike Baccoli, and Sophomores Bob Denley and Jerry Blache. These boys have accumulated a solid 11-5 record, the third best in the county with bare losses to Mt. Greylock, Hoosac Valley, and Mt. Everett. Bill Hickey and Dan Turner were a strong one-two punch for Lee all year, with Hickey finishing in first place in all but three races. The successful season was capped off when the Wildcats ran to fourth place in the Western Mass. Tournament at Amherst College with strong running from Turner and Walls. Dan Turner and Rich Walls were selected to run in the state meet in Boston. Coach Warywowski must have been pleased with the performance of his teams and looks for a better year in '74.

Girls' Basketball

Banana does it again!

The girls' basketball team jumped off to a good start this year by winning their first four games. Then they met with their arch rivals, St. Joe's, and took a defeat. This did not stop the Wildcats and they went on to win their next 7 out of 9 games. They finished the season with a record of 14 wins and just three loses. As a result of their successful season the girls were selected to play in the Western Mass. Tournament where, unfortunately, they were defeated by Minnechaugh by a score of 42-41.

All in all, however, it was a very successful and rewarding season for the Wildcats and for their coach Ms. Maish.

Basketball

November 26th marked the opening of the 1973-74 Lee High School Basketball season. Coach Richard Salinetti began his practice sessions knowing quite well that every team in Berkshire County, including his own, supported a great deal of talent. The Wildcat squad consisted of three varsity starters from the previous year and seven experienced members up from the junior varsity team. They were Seniors, Stephan duPont, James Walker and Robert Walker (tri-Captains), Wayne Ciullo, George Serra, Eric Boulanger, Juniors, David Masiero, David Walker, James Wheeler and David Pelletier.

It was the opinion of both Lee High and non Lee High fans this could be "the year of the cat". Lenox, St. Joes (P), Pittsfield, and Drury joined L.H.S. as the top contenders for the County crown. However, the Wildcats quickly found out that capturing the Berkshire title would not be that simple as Lee was battled to a 25-25 tie by St. Joes (N.) in the annual Boys Club Jamboree. Even the parochial school club from North Adams would not fall to defeat as easily as they had in past years. No one knew it at the time, but this pre-season contest would set the scene for a mediocre round ball year for Lee High.

In their first ten games Lee could only struggle to a 5-5 record with wins against highly rated clubs such as St. Joes (P) and rival Lenox but taking losses at the hands of lesser clubs such as Mt. Everett and Monument Mountain. Lee's performance on the court could be charted like that of a yo-yo with a good game one week followed by a bad contest the next. It became obvious to several Wildcat fans that the hopes for a County title were all but gone. L.H.S. continued their up and down style of play during the second half of their twenty game schedule to finish the regular season with a record of 12-8 and diminishing hopes for a post-season tournament bid. The Western Mass tournament selection committee put new life back into the Wildcats when they named Lee High as the eleventh seeded club among the twelve teams chosen to play in the post-season contest.

As of this writing Lee is scheduled to take on Holyoke Trade in the Quarterfinals of the Western Mass Tournament at Southwick High. If they can win that game, they will proceed into the semifinals against Smith Academy and a possible chance of capturing the Western Mass High School basketball crown.

As for individual honors during regular season play, Jim Walker led the wildcats with superb ball handling and the floor general racked up more than 110 assists through 20 games. Steve duPont led Lee High in scoring and Dave Masiero was the top rebounder on the club. Bob Walker was the most consistent of Wildcat players this year and Dave Walker, George Serra and Jim Wheeler alternated flawlessly at the fifth starting position.

Golf

The Lee High Golf Team entered the 1973 season with high hopes for a championship season, with all eight of last years starters returning, enthusiasm and morale among the players were soaring. Those starters were Seniors—Eric Cadenelli (Captain), Robert Failla, William Murray, Wayne Larrivee; Juniors—Eric Boulanger, William Hickey, Richard Wells, and Sophomore—Robert Ward. However, Coach David Wells' boys met with various problems throughout the course of the season and did not fulfill their expected potential, finishing with a mediocre 7 - 7 - 2 record. The Wildcat Golf Team will return again this year with prospects for the future.

The Lee High Girls' Softball Team finished with a 7-1 record. Although there is no formal league for the team, Lee's record is the best among teams in Berkshire County. The team hopes to get a league formed this year.

Defensive standouts throughout the season included short-stop Leah Duby, center fielder Margaret Stumbaugh, third baseman Lexy Lovato, second baseman Joni Thomas and first baseman Lee Collins. The Varsity team lost only one player, Sue Scaramuzzi, through graduation. This year the Varsity team will lose: Kathy Roosa, Margaret Stumbaugh, Lexy Lovato, Lee Collins, Sue North, and Leah Duby. The team is coached by Ms. Sally Maish.

Baseball

Coach Dick Lenfest entered the 1979 season with high hopes for a great year. Withball players like Peter Buratto, Dan Laurenti, Dennis Kelly, Bob Feltre, Rich Roosa, Dave Brown, Bob Walker and Mike Dignard returning from last year's squad, it appeared that nothing could stop the Wildcats on their way to a second Western Mass. crown in the five year history of the small school tournaments. The remaining gaps left in the varsity roster by graduation were filled nicely by senior Earl Way, juniors Steve duPont, Alan Zerbato, Wayne Ciullo, and sophomores Marc Buratto and Hank Drought.

After several weeks of pre-season training, Lenfest led his Wildcats into regular season play winning their first contest against Taconic; a 12 inning 2-1 affair behind the strong pitching of Buratto and timely hitting of Earl Way. From there on in the Wildcats breezed to victories over Northern and Southern Berkshire teams alike with the exception of St. Joe's of Pittsfield, Hoosac Valley and Monument Mountain.

Lee's two heart breaking losses to the reigning champs featured classic pitching duels between Wildcat Ace Pete Buratto and Crusader Work Horse Bill Madden. The two setbacks placed Lee in second place of the Southern Berkshire League ending the regular season with a solid 16-8 record. Buratto, Brown and Zerbato did a fine job on the mound as the offensive attack relied heavily on the shoulders of Kelly, Dignard, Feltre and Laurenti.

The Wildcats performance was good enough to earn them a spot in the Western Mass. Tournaments and another shot at St. Joe's of Pittsfield. Lee got that return match as the fourth seeded club defeated Ware and Turners Falls in first and second round play. Buratto and Zerbato were excellent in their pitching duties, and Kelly carried the team with his big bat.

The finals pitted Lee and St. Joe's, again matching Buratto vs Madden. This time the Wildcats were not to be denied as they defeated the heavily favored Crusaders 3-2 in a most exciting 13 inning contest. An inspiring moment for Wildcat fans capturing their second Western Mass. title.

That balloon soon popped as Quabbin Regional downed Lee 6-4 in the State Semi-finals at Milford. All in all, however, it was a very successful season and congratulations to Coach Lenfest and the boys for a job well done.

NEW HAPPENINGS

Girls On Cross Country

The girls came out for the Cross Country Team this year for the challenge it represented to them with their endurance and self discipline. Because they were primarily running against boys, they didn't place very well in the meets, though they did help to push the boys into running faster. This was the first year that girls have tried out for this team and we think it was a very worthwhile experience. The girls hope to see much more participation next year. One might say "You've come a long way baby;" but we say "Come on girls—there's still a lot farther to go."

Le Tour Eiffel

On April 13, 1973, the French Club departed from Kennedy Airport for nine busy and exciting days, in Paris and Amboise. Led by Mr. and Mrs. Vinatier, we explored many beautiful chateau's and visited the famous Eiffel Tower, Louvre Museum, and the Arc of Triumph. While staying in Amboise we visited the famed Mont St. Michael, an island complete with restaurants, stores and an abbey. It was a successful trip enjoyed by all.

House Building

This year a housebuilding project was initiated for the Industrial Arts students of Lee High. The program was guided by Mr. Mazur, Mr. Chichetto, and Mr. Trombly. A split level house was constructed from foundation up. The house was supposed to have been a two year project, but with the enthusiasm and experience of the boys and their advisors the house will probably be completed within a year. It was therefore a very successful and highly rewarding experience for all the students and faculty members who participated in the project.

The Latin Club's Trip To Europe

Last year, during two weeks in April, Mrs. Juskalian took sixteen students to Italy and Greece for sixteen days. The group left New York for ten days in Italy. They saw such sights as St. Mark's Basilica, the Coliseum, and Pompeii. The group then departed for Athens, Greece. From there, they went on a three day cruise through the Greek Islands. The pictures on this page were taken on the ship. After the cruise we returned to Rome for a day, and then came home. The trip was a great success for all.

Greenhouse Project

Last year in the spring, Mr. Robert Lohbauer and his students started what they call their greenhouse or horticulture project. The fifteen or more students, under the supervision of Mr. Charles Frissell and Mr. Lohbauer, worked during a few of their classes and free periods. They planted seeds and did the watering and transplanting. Later the plants were sold to the public.

The purpose of the project was to familiarize the students with gardening and greenhouse procedures. Through this project, they became aware of the values of nature.

The club was started for boys who wanted to learn how to cook for themselves and for guests. The course ran for one half the year and included preparation of meats, cake decorations, baking, and catering to groups. The course was instructed by Mrs. Coderre, the Home Economics teacher. The main objective of the course was to familiarize the students with a kitchen so that in a few years the students won't have to think about caring for themselves.

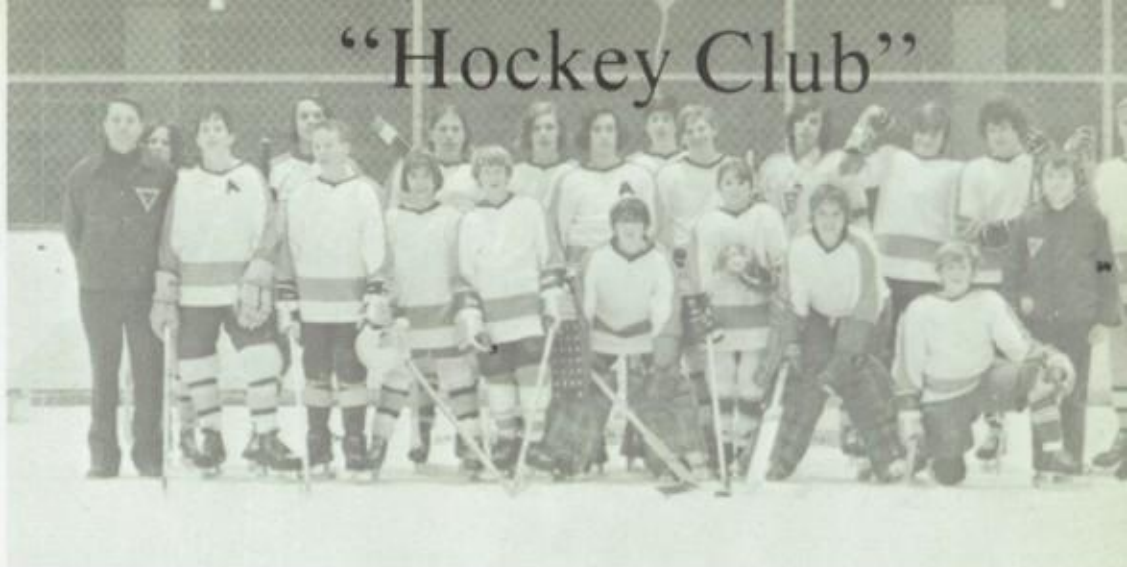

Whip it up!

Thanks to our vice-principal and a group of concerned parents, the Lee High Hockey Club was formed this year. Our team was started with hopes of joining six other high schools in a league someday. While this goal is three or four years away, it gives some of our younger players some experience in hockey and on ice skates. This year, we had twenty players—one senior, three juniors, two sophomores, one freshman, and all the rest were seventh and eighth graders. Our coach was Mr. William Maroney.

The team played other high schools and prep schools. Our record was not an impressive one, but we improved with every game. The Co-captains of this year's team were Joe Palardy, Jim Sullivan, and Bob Ward. We are all looking forward to a great season next year!

Right now, each and everyone of us is taking their part in another person's yesterdays. Soon we will all be memories of Lee High School. New classes with new people and with new ideas for changing an old world will enter this school. We will be part of their Yesterdays. We are living the Yesterdays of the Future! Therefore, we, the Yesterdays of Tomorrow, dedicate this yearbook to the Future.
